| <p style="text-align: center;">BE RESPECTED</p> <p>Be effective communicators and understand specialist concepts</p> | <p>Teachers have the expertise to enable students to develop their use and understanding of specialist technical vocabulary in their curriculum areas so that students will be respected for their academic knowledge and understanding in school and beyond. We ensure that students have opportunities to read and understand challenging academic texts in all subjects. Students will be able to apply their reading and oracy skills and show their understanding across the curriculum.</p> <p>We ensure that students can apply their numeracy knowledge, understanding and skills in other subject areas and to real life problems where appropriate.</p> <p>We ensure students are given opportunities in school to develop speaking and listening skills as part of the formal and informal curriculum at JRS. This develops their ability to be effective communicators with their peers, adults in school and in later life, the world of work.</p> <p>We ensure that students can communicate their ideas effectively in writing; including specialist vocabulary and with an awareness of the audience, purpose and form as they write. We ensure students produce accurate, organised texts that show understanding of academic concepts taught.</p> | <ul style="list-style-type: none"> ● Students will learn a range of key religious words with a focus on the 6 main world religions. There will be a greater focus on key-words from Buddhism and Christianity in Year 9 & 10 to link with their GCSE course ● Students will be able to understand a range of religious texts with particular focus on the Bible and the teachings of Buddhism ● Students will be able to respond to these texts and show how they influence the believer. They will be able to explain the texts in the context of contemporary British life and its issues ● Extended writing is developed throughout Years 7 - 10 and emphasis is placed on the sequencing of answers, particularly in 12 mark GCSE answers. ● In lessons, opportunities for paired and group work and concentric circles are a regular part of learning |
| <p style="text-align: center;">BE RESILIENT</p> <p>Be well prepared for successful adult life and be able to respond to assessment in order to make progress</p> | <p>The curriculum builds students' resilience through challenging subject content and is implemented with an awareness of how students will know and remember more. We give students time to reflect on their work and know what to do to improve their knowledge and understanding. Teachers use assessment as a formative tool, so that it enables students to progress and improve their deeper understanding of subject matter and concepts. We encourage students to be resilient by building opportunities into sequences of learning for our students to self and peer assess.</p> | <ul style="list-style-type: none"> ● Students will learn a range of key religious words with a focus on the 6 main world religions. | <p>BE READY FOR YOUR FUTURE Be able to make a link between learning in lessons and future employment choices; be ready to live in a diverse, tolerant society</p> | <p>Teachers have planned and sequenced a Key Stage 3 curriculum to provide students with the knowledge, skills and understanding to build on in further study, training or work. This ensures students have the literacy and numeracy skills to access not just GCSE, but the wider world and professional employment. Students will have advice and guidance so that they can make the best-informed choices for them at Key Stage 4 and for further study.</p> <p>We will encourage our students to express their opinions in a logical, evidence-based manner and demonstrate that they can appreciate that others may hold a different point of view and respect the opinions of others.</p> <p>We will enable our students to understand</p> | <ul style="list-style-type: none"> ● Students will learn a range of key religious words with a focus on the 6 main world religions.
